

### Magnum Series Kwik Ship Program

**CUSTOMER NAME:**  
**ADDRESS:**  
**CITY, STATE, & ZIP:**

Is this a commercial or residential location?  
 Special Instructions:

Cuts - \$7 per finished cut size. Please be sure to deduct 1/8" of shell height per cut.  
 In some cases, another 1/8" may be consumed by a trim cut to square the shell to the saw.  
 If you would like the drop pieces shipped, please indicate "Y" in the box labeled "Ship Drop pc?"

Bearing Edges are now available direct from the factory in 3 styles.  
 Bearing Edge Profiles - Enter "T" for a traditional 45, a "D" for a double 45 and "R" for a 45 w/ roundover  
**Please see the bearing edge profile illustrations at the bottom of page 2 for reference.**

Kwik Ship orders are generally limited to ship-to addresses in N. America. If your order needs to ship to an address outside of N. America, please contact us prior placing your order.
